

Productivity Improving, Security Management

RightCrowd Visitor Management

Designed to securely and compliantly streamline visitor and contractor processing.

Leading companies are now looking for a visitor and contractor entry experience that delivers on their brand promise. They no longer accept queues, idle staff, and low-tech experiences. RightCrowd Visitor Management now powers some of the busiest corporate entities in the world.

RightCrowd streamlines processing visitors and contractors while continuing to focus on safety, security and compliance. The solution can be a standardized guided approach out-of-the-box through to a customized experience designed to meet specific business process and compliance needs.

Proven to operate at Enterprise Grade, the RightCrowd Lobby Experience has some of the largest proven Global deployments.

RightCrowd works with Fortune 50 companies simplifying and automating the processes that govern security, safety and compliance.

CUSTOMIZED VISITOR EXPERIENCE

Configurable to meet your compliance requirements and flexible enough to enhance your visitor's experience.

ENTERPRISE GRADE, GLOBALLY SCALABLE

Enhances security management by delivering a consistent visitor process, for a single site or at global scale.

ENHANCING PRODUCTIVITY, IMPROVING SECURITY MANAGEMENT

Delivers productivity enhancements and a consistent global approach that can streamline security and emergency management.

EASY AUDITING, REPORTING & COMPLIANCE

Provides a single record of who is on site at every corporate location and removes the need for siloed 3rd party applications.

Solutions

- 1 PROVEN GLOBAL SCALE**
With large global deployments, the solution has been proven at scale, handling over 1 million visitors annually.
- 2 BRAND ENHANCEMENT**
Can be configured to meet corporate objectives and deliver security compliance.
- 3 BUSINESS PROCESS EFFICIENCY AND COST REDUCTION**
Business process automation delivers compliance, efficiency and auditability, configured to meet business requirements.
- 4 REGULATORY COMPLIANCE**
The solution delivers global consistency and local compliance across each regulatory jurisdiction.
- 5 STREAMLINED EMERGENCY MANAGEMENT**
Safely and efficiently manage site visits, without maintaining siloed additional applications or dealing with risks around manual visitor processes.
- 6 VISITOR PRE-REGISTRATION**
Streamline visitor entry processes by pre-registering visitors ahead of time, improve governance with optional approval processes.
- 7 VISITOR KIOSK**
Supports a range of self-service kiosks and peripheral devices, geared to match your unique business and identification requirements.
- 8 REPORTING AND AUDITING**
Removes the guesswork around visitor status and location with a dashboard view of visitors due to arrive, that are on site and overdue to exit.
- 9 AUTOMATED LIFE-CYCLE ACCESS MANAGEMENT**
Streamline processes with automated group pre-registration, approval and exit procedures delivering efficiency and security.
