

Why choose RightCrowd?

Founded in 2004, RightCrowd is a leading provider of compliance, security and safety solutions to some of the world's largest companies.

Our award-winning solutions is trusted by ASX 10 and Fortune 50 companies and have helped businesses of all sizes to redefine their security and compliance programs, delivering improved productivity, at lower cost.

Features of RightCrowd Access Analytics

- ✓ **Automated data collection:** up-to-date data, collected from any security system in your business.
- ✓ **Accurate compliance reporting:** easy delivery of audit reporting.
- ✓ **Flexible analytics development:** monitor security issues without long development lead times.
- ✓ **Integrates with any system:** collect access data from applications, legacy solutions, and physical security systems.
- ✓ **Simplified compliance reporting:** Easy reporting in a format the business understands.
- ✓ **Proactively fix issues:** Assess compliance and quickly determine where remediation is required.

Experienced

RightCrowd has built up +15 years of experience in automating physical security, safety and compliance processes.

Enterprise focus

We understand the complexities of managing access control in large international organizations. That is our sweet spot.

Customer First

We are not a mass market product vendor. Every customer counts, and we want each product implementation to be successful.
